IN THE MATTER OF THE APPLICATION OF
ARIZONA WATER COMPANY, AN ARIZONA
CORPORATION, TO EXTEND ITS EXISTING
CERTIFICATE OF CONVENIENCE AND
NECESSITY WITHIN THE TOWN OF PINETOP-
LAKESIDE, NAVAJO COUNTY, ARIZONA.

DOCKET NO. W-01445A-04-0013

PROCEDURAL ORDER

BY THE COMMISSION:

Pursuant to Decision No. 67107 (July 9, 2004), the Arizona Corporation Commission ("Commission") granted Arizona Water Company's ("AWC") application for an extension of its certificate of convenience and necessity for its Lakeside system, subject to certain conditions.

Specifically, AWC was ordered to file the following within 365 days of the effective date of the Decision: (1) a copy of an executed main extension agreement associated with the proposed expansion area; (2) a copy the Certificate of Approval to Construct issued by the Arizona Department of Environmental Quality for the construction of mains in the extension area; and (3) a copy of the right-of-way permit issued by the Town of Pinetop-Lakeside authorizing AWC to provide water service to the requested extension area.

On April 29, 2005, AWC filed a Request for Additional Time to Comply with Filing Requirement ("Request"), by which AWC seeks an additional 365 days to comply with the above referenced deadlines based upon information from the developers that unexpected delays in planning and financing will delay development until early 2006.

No objection to AWC's Request has been filed.

AWC's Request is reasonable and should be granted.

IT IS THEREFORE ORDERED that Arizona Water Company shall file with the Commission's Utilities Division Director copies of (1) an executed main extension agreement associated with the proposed expansion area; (2) the Certificate of Approval to Construct issued by

1 the Arizona Department of Environmental Quality for the construction of mains in the extension area;
2 and (3) the right-of-way permit issued by the Town of Pinetop-Lakeside authorizing AWC to provide
3 water service to the requested extension area by no later than July 9, 2006.

4 IT IS FURTHER ORDERED that in all other respects, the findings and requirements set forth
5 in Decision No. 67107 shall remain in full force and effect.
